Strengthening Families Video Challenge

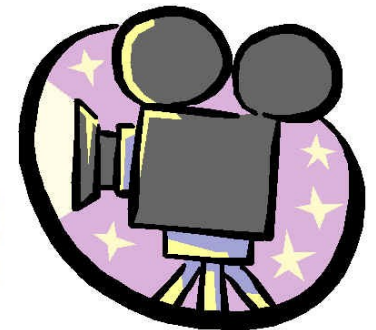

Montana Children's Trust Fund is challenging Montana students grades 6-12 to create a video about strengthening families. The goal of this challenge is to learn about and reflect on the role individuals and communities have to strengthen families and keep all kids safe.

Guidelines:

- Address one of the following topics:

How can we all play a role in strengthening families?

What does your community do to strengthen families?

- Video should be 30-60 seconds long
- Upload to YouTube and share, share, share on social media! Share on School page and tag The Montana Children's Trust Fund and Blue Cross Blue Shield of Montana
- Have fun and get creative!!
- Questions? Contact Kami at kkirchberg@mt.gov or 406-444-5915
